Gallery members are expected to actively participate on one or more gallery committees. Serving on a committee may be rotational for a specified time, or “on-call” as help is needed. The amount of time required per committee varies, but an average amount of time is estimated to be 4 to 8 hours per quarter. Which of the following committees might you be interested in, should you be accepted into the gallery?

- Events (Second Saturday planning, Holiday Events, Special Events)
- Marketing (Promotion, Advertising, Print Material, Distribution)
- Facilities and Supplies (Lighting, Cleaning, Office Supplies, Repairs etc.)
- Display and Windows (Rotation, Front Window Design, Holiday Themes)
- Board of Directors

On a scale of 1 to 10 (1 lowest, 10 highest) how do you rate yourself at being a team player? (Please circle) 1 2 3 4 5 6 7 8 9 10

List additional skills you might have that would be an asset to the gallery. For example: *Pitching in when help is needed. Having free time to respond on short notice. Acting instead of waiting for others to act. Recognizing your strengths and those of others. Being willing to learn a new computer skill.*
